

WATER TREATMENT SEMINAR

COMMERCIAL – INSTITUTIONAL – INDUSTRIAL

Intensive one-day seminar specifically for maintenance engineering personnel responsible for or involved in the care and treatment of boilers or cooling systems. Emphasis on basic principles and fundamentals. Practical application rather than theory stressed throughout. All seminar material presented in simplified, easy to understand non-technical language.

Seminar Fee \$ 150.00 Per Person

Note: Hotel Accommodations are not included in the registration fee.

WHO SHOULD ATTEND

- Plant Engineers
- Chief Engineers
- Building Managers
- Energy Coordinators
- Building Superintendents
- Boiler Attendants
- Maintenance Staff
- Managing Agents
- Facility Managers
- Physical Plant Administrators

ABOUT THE PROGRAM

Specifically designed for maintenance and engineering personnel involved in the care and treatment of boilers and water cooled systems in COMMERCIAL, INSTITUTIONAL, and FOOD PLANTS. Subject matter is intentionally kept in the language of the power engineer. Basic principles and fundamentals of water treatment are explained in simple, easy to understand non-technical language. Emphasis is on the practical rather than the theoretical. Cause and Effect Relationships are explained in detail. Hard proven methods on ways to conserve energy, reduce water consumption, lower water treatment costs, avoid waterside deposits-corrosion are featured.

WELL WORTH IT

Over the past 41 years thousands have attended This unique “*ONE OF A KIND*” seminar. The Most consistent comment by attendees has been “IT IS WELL WORTH THE TIME”. Misconceptions and the “mystique” surrounding water treatment are completely removed. Participants obtain a clear concise understanding and immediately apply the many cost cutting ideas obtained from attending. You are shown what techniques really work – why they work and how to systematically apply them.

REMARKS... FROM THOSE WHO ATTENDED PREVIOUS SEMINARS

SCHOOL SYSTEM

“Now I understand why we had to replace so many tubes in our boilers. Information we received will save us a great deal of money.”

HOSPITAL

“Everything was explained in my language. First time in over 15 years I understand water treatment.

ABOUT THE PRESENTER:

Jerome R. Meyer has spent many years in the water treatment industry. He is the president of Niagara Training & Consulting, LLC. He has certification from the Association of Water Technologies, Inc. and presently serves as a member of the Training & Certification Committee of this organization. He has a current NYS Pesticide Applicators Permit. Some of his other affiliations include: Past Chairman of Niagara Frontier Chapter of National Association of Corrosion Engineers, Member of Cooling Water Institute and Member of Association of Facilities Engineers.

INDIVIDUAL ATTENTION:

Our Water Treatment seminars are consistent **"SELL OUTS"**. The number of attendees is limited so that ample time for discussion of common problems can be thoroughly addressed and solutions provided. **SPACE IS LIMITED SO WE RECOMMEND EARLY RESERVATIONS.**

HOW TO REGISTER:

FILL IN THE ATTACHED REGISTRATION FORM & mail to *Boilers, Controls & Equipment, Inc. 3935 N. Detroit Ave. Toledo, OH 43612* or fax to *419-478-7250*. You can also phone in your registration at *419-476-8155, toll free at 800-999-8155*. You will receive a confirmation of your registration with your invoice.

LOCATION: 
110 Cabela Boulevard East
Dundee, MI 48131

DATE/TIME: **April 25, 2012**
8:30 a.m. – 4:00 p.m.
(lunch and breaks included)

** Course Approved for the Following Credits:

Michigan	8.0 Hours for Commercial Core and 5B Pesticide
Ohio	6.5 Hours for Drinking/Wastewater Operators

SEMINAR SCHEDULE

Morning:

8:00 Registration ~ *Coffee & Danish*
8:30 Statement of Objectives
8:40 Water Basics
9:00 Testing & Terminology
9:20 Material Safety Data Sheets
9:30 Hazardous Communications Labeling

10:00 Coffee Break

10:15 Solids & Conductivity
10:30 Scale: Cause & Control
10:55 Corrosion: Cause & Control
11:15 External Treatment
11:35 Quiz
11:45 Questions & Answers

Afternoon:

12:00 - 1:00 Lunch is INCLUDED

1:00 Cooling Systems
1:10 Types of Equipment
1:25 Sources of Contamination
1:45 Deposits: Cause & Control

2:15 Coffee Break

2:30 Corrosion: Cause & Control
2:50 Biocides: Type & Selections
3:15 How to Automate
3:30 Spill Control & Cleanup
3:40 Quiz
3:50 Questions & Answers

What You Will Receive

All attendees will receive the following:

- 1. Admission to Technical Sessions**
- 2. Complete Set of Seminar Proceedings**
- 3. Two (2) Reference Manuals ~ Boiler Water Treatment & Cooling Water Treatment**
- 4. Complimentary Lunch**
- 5. Coffee/Pop – Morning & Afternoon**

REGISTRATION FORM

Three Easy Ways to Register

1. Phone in your reservation - 419-476-8155, toll free at 800-999-8155
2. Fax this completed registration form to 419-478-7250
3. Mail registration form to: Boilers, Controls & Equipment, Inc. 3935 N. Detroit Ave., Toledo, OH 43612
